ISSA YAKUB OLAMIDE

Ilorin, Kwara State | +234 904 147 5207 | kubzyolamide@gmail.com

PROFESSIONAL SUMMARY

Analytical and detail-oriented Telecommunications Science professional with strong technical background and keen eye for visual quality. Experienced in evaluating complex data sets and maintaining high standards of accuracy in fast-paced environments. Proven ability to assess visual content against strict technical rubrics, ensuring clarity, consistency, and adherence to AI training specifications.

CORE COMPETENCIES

- Visual Analysis
- Data Integrity
- Technical Literacy
- Objective Reporting

TECHNICAL SKILLS

Software: Google Workspace, Network Simulation Tools, Basic Image Editing Software.
Specialized Knowledge: 5G Infrastructure, Network Performance Analysis, Data Labeling & Annotation.
Soft Skills: Attention to Detail, Objective Feedback, Professional Communication, Time Management.

EDUCATION

B.Sc. Telecommunications Science
University of Ilorin, Kwara State
Relevant Coursework: Network Programming, Telecommunication & Networks II, Data Analysis, Research Methodology.

PROFESSIONAL EXPERIENCE

Technical Data Evaluator / Freelance Consultant | Ilorin, Nigeria (Jan 2025 – Present)
- Assess and categorize digital assets to ensure compliance with quality standards.
- Identify subtle discrepancies in visual data supporting AI training.
- Maintain accuracy targets and delivery schedules.
- Document findings to improve workflows and outcomes.

Research Assistant (Telecommunications & Networks) | Ilorin, Nigeria (Jan 2024 – Dec 2024)
- Reviewed technical documentation and network performance data.
- Managed research papers and digital media with metadata tagging.
- Flagged inconsistencies in diagrams and 5G visualizations.
- Collaborated on millimeter-wave communication and 5G optimization research.
